AT HOME

Shelter in Place Checklist

These supplies are meant to augment the emergency supplies you have at home and are to be used during a mandated shelter-in-place event. Keep them in your predetermined safe room.

- [ ] Plastic sheeting (precut to cover all windows, doors, outlets, and vents in your safe room)
- [ ] Tape (to fix the sheeting in place)
- [ ] Battery-powered NOAA weather radio
- [ ] Water and snacks for the day
- [ ] A few towels/blankets (to moisten and stuff under doors in the safe room)
- [ ] A flashlight
