## FROM THE PUBLISHER

This ACT supplement offers our readers the clinical trials products and services of key exhibitors in the areas of technology, data management, contract research organizations as well as central laboratories.

The supplement was developed to help our readers find their way through the nation's capital while attending the conference.

We have included information on restaurants, attractions, family activities, and stress relief so you can more fully experience the sights and sounds of Washington DC.

Please stop by and say hello to us at the *Applied Clinical Trials* booth at the Washington Convention Center.

Best regards,

**Wayne K. Blow**  
Publisher, *Applied Clinical Trials*
