

APPLIED CLINICAL TRIALS E-Newsletters

ACT Direct is published weekly to highly engaged clinical trials professionals. Each edition features a premium collection of news, articles, blog posts, an advertiser marketplace, webcasts and events, plus news about industry people on the move.

We've increased the frequency as well as the topics of our popular *ACT Direct*, *Applied Clinical Trials* e-newsletter. *ACT Direct's* Special Edition e-newsletters will be delivered weekly, in addition to the general industry directed *ACT Direct*. These Special Edition e-newsletters contain only the latest news, original reporting, featured articles and events specific to the targeted topic. We've also added *ACT Trends*, a biweekly e-newsletter that delivers the most popular clinical trials news and articles and highlights what's trending on social media.
