

*Clinical and Economic Opportunities of
Anti-TNF Therapies in Rheumatoid Arthritis*

Proceedings in this Special Report supplement to *The American Journal of Managed Care* are based on highlights of presentations, roundtable discussions, and question-and-answer sessions that took place at the conference, Clinical Opportunities of Anti-TNF Therapies in Rheumatoid Arthritis: An International Roundtable, February 19 and 20, 1999, in Lausanne, Switzerland. This conference was supported by a grant from Centocor

The contents of this supplement have been peer reviewed by Joan M. Bathon, MD, Associate Professor, Johns Hopkins University School of Medicine.
