

*New Approaches for the Diagnosis
and Management of Alzheimer's Disease*

Proceedings in this Special Report supplement to *The American Journal of Managed Care* are based on presentations and roundtable discussions that took place during an educational symposium on Alzheimer's disease held in New York City, New York, on September 8 and 9, 2000.

The contents of this supplement have been developed under the direction of and peer reviewed by Peter Rabins, MD, Professor of Psychiatry, Johns Hopkins University School of Medicine, for CME accreditation.
