
...PARTICIPATING FACULTY ...

*Clinical and Economic Impact of Breast Cancer
Treatment and Prevention in High-Risk Women*

Proceedings in this Special Report supplement to *The American Journal of Managed Care* are based on presentations and question-and-answer sessions that took place at the symposium, "Medical and Economic Influences Impacting Breast Cancer in High-Risk Women," held in Baltimore, Maryland, January 10 and 11, 1999. The conference was organized and hosted by The University of Maryland School of Pharmacy Center on Drugs and Public Policy.
