

*Community-Acquired Pneumonia:
Achieving Optimal Outcomes in Antimicrobial Therapy*

This Special Report supplement to *The American Journal of Managed Care* includes 5 articles and several case studies on achieving optimal outcomes in antimicrobial therapy in community-acquired pneumonia.

The case studies are based on a satellite poster symposium that took place December 8, 1997, at the 32nd Annual ASHP Midyear Clinical Meeting in Atlanta, Georgia.

All of the articles in this supplement have been peer reviewed by Lee R. Weiss, MD, Assistant Clinical Professor, Departments of Medicine and Emergency Medicine, Ohio State University School of Medicine, Columbus, Ohio; Chairman, Department of Emergency Medicine, Knox Community Hospital, Mt. Vernon, Ohio.
