Disclosure Policy

According to the disclosure policy of *The American Journal of Managed Care* and Pharmacy Times Continuing Education, all persons who are in a position to control content are required to disclose any relevant financial relationships with commercial interests. If a conflict is identified, it is the responsibility of Pharmacy Times Continuing Education to initiate a mechanism to resolve the conflict(s). The existence of these relationships is not viewed as implying bias or decreasing the value of the activity. All educational materials are reviewed for fair balance, scientific objectivity of studies reported, and levels of evidence.

Disclosure of Unapproved/Off-Label Use

The contents of this activity may include information regarding the use of products that may be inconsistent with or outside the approved labeling for these products in the United States. Participants should note that the use of these products outside current approved labeling is considered experimental and are advised to consult prescribing information for these products.

The information provided in this CE activity is for continuing medical and pharmacy education purposes only and is not meant to substitute for the independent medical or pharmacy judgment of a physician or pharmacist relative to diagnostic, treatment, or management options for a specific patient's medical condition.

The opinions expressed in the content are solely those of the individual faculty members and do not reflect those of *The American Journal of Managed Care*, Pharmacy Times Continuing Education, or any of the companies that provided commercial support for this CE activity.

Signed disclosures are on file at the office of *The American Journal of Managed Care*, Plainsboro, New Jersey.

■ SUPPLEMENT POLICY STATEMENT ■

Standards for Supplements to *The American Journal of Managed Care*

All supplements to *The American Journal of Managed Care* are designed to facilitate and enhance ongoing medical education in various therapeutic disciplines. All *Journal* supplements adhere to standards of fairness and objectivity, as outlined below. Supplements to *The American Journal of Managed Care* will:

- I. Be reviewed by at least one independent expert from a recognized academic medical institution.
- II. Disclose the source of funding in at least one prominent place.
- III. Disclose any existence of financial interests of supplement contributors to the funding organization.
- IV. Use generic drug names only, except as needed to differentiate between therapies of similar class and indication.
- V. Be up-to-date, reflecting the current (as of date of publication) standard of care.
- VI. Be visually distinct from *The American Journal of Managed Care*.
- VII. Publish information that is substantially different in form and content from that of the accompanying edition of *The American Journal of Managed Care*.
- VIII. Prohibit excessive remuneration for contributors and reviewers.
- IX. Carry no advertising.

Publisher's Note: The opinions expressed in this supplement are those of the authors, presenters, and/or panelists and are not attributable to the sponsor or the publisher, editor, or editorial board of *The American Journal of Managed Care*. Clinical judgment must guide each professional in weighing the benefits of treatment against the risk of toxicity. Dosages, indications, and methods of use for products referred to in this supplement are not necessarily the same as indicated in the package insert for the product and may reflect the clinical experience of the authors, presenters, and/or panelists or may be derived from the professional literature or other clinical sources. Consult complete prescribing information before administering.
