

## Evolving Strategies for the Management of Multiple Myeloma: A Managed Care Perspective

This supplement to *The American Journal of Managed Care* summarizes proceedings from a roundtable meeting that was conducted to discuss the perspectives of the faculty on several topics related to the management of multiple myeloma, including advances in treatment, areas of unmet need, future directions for oncology management, and the potential impact of newer payment and practice models. These topics were discussed in the context of the payer audience.

### ■ Faculty

#### **Ira M. Klein, MD, MBA, FACP—Moderator**
