

New Perspectives on Overactive Bladder and Its Treatment

This supplement to *The American Journal of Managed Care* provides information on overactive bladder (OAB).

OAB is a common chronic urological condition affecting over 33 million men and women in the United States. Recent studies show that OAB can impair work productivity, and the total economic impact is estimated to be more than \$25 billion annually.

■ Participating Faculty

Tamara Bavendam, MD

Senior Medical Director
Pfizer Inc
New York, New York

Sandra J. Berriman, PhD

Medical Director
Pfizer Inc
New York, New York

Marina Brodsky, PhD

Medicines Team Leader
Pfizer Inc
New York, New York

Linda Brubaker, MD

Professor of Obstetrics/
Gynecology and Urology
Departments of Obstetrics
& Gynecology and Urology
Loyola University
Chicago, Illinois

J. Quentin Clemens, MD, MSCI

Associate Professor
Department of Urology
University of Michigan
Ann Arbor, Michigan

Karin S. Coyne, PhD, MPH

Senior Research Leader
Center for Health Outcomes
Research
United BioSource Corporation
Bethesda, Maryland

Pamela Ellsworth, MD

Associate Professor of Urology
Brown University
Providence, Rhode Island

Erica L. Goldberg

Senior Consultant
IMS Health, Inc.
Falls Church, Virginia

Debra E. Irwin, MSPH, PhD

Research Assistant Professor
Department of Epidemiology
University of North Carolina
Chapel Hill, North Carolina

Zoe S. Kopp, PhD, MPH

Senior Director, Outcomes Research
Pfizer Inc
New York, New York

Diane McNally, BSPHarm, MS

Research Manager
Department of Pharmaceutical
Health Services Research
School of Pharmacy
University of Maryland
Baltimore, Maryland

C. Daniel Mullins, PhD

Professor
Department of Pharmaceutical
Health Services Research
School of Pharmacy
University of Maryland
Baltimore, Maryland

Ebere Onukwugha, PhD

Assistant Professor
Department of Pharmaceutical
Health Services Research
School of Pharmacy
University of Maryland
Baltimore, Maryland

Elise M. Pelletier, MS

Director, Health Economics and
Outcomes Research
IMS Health, Inc.
Watertown, Massachusetts

Vernon F. Schabert, PhD

Senior Director, Health
Economics and Outcomes
Research
IMS Health, Inc.
Falls Church, Virginia

Chris C. Sexton, PhD

Senior Research Associate
Center for Health Outcomes
Research
United BioSource Corporation
Bethesda, Maryland

Jeffrey N. Trocio, MPH

Manager, Global Outcomes
Research
Pfizer Inc
New York, New York

■ PARTICIPATING FACULTY ■

Vasudha Vats, MPH

Manager, Global Outcomes Research
Pfizer Inc
New York, New York

Todd H. Wagner, PhD

Health Economist
Department of Veterans Affairs
Health Economics Resource Center
Menlo Park, California

Ilene H. Zuckerman, PharmD, PhD

Professor
Department of Pharmaceutical
Health Services Research
School of Pharmacy
University of Maryland
Baltimore, Maryland
