

*Use of Selective Estrogen Receptor Modulators  
Among Postmenopausal Women in the Managed Care Setting*

The proceedings in this Special Report Supplement to *The American Journal of Managed Care* are based on a roundtable symposium, "Use of Selective Estrogen Receptor Modulators Among Postmenopausal Women in the Managed Care Setting," held in Chicago, Illinois, on November 13, 1998.

The proceedings in this Special Report Supplement have been reviewed by the following advisory boards, and they have determined that participants are eligible for 2 hours of CME/CE credit:

---
