

Pall delivers a complete package of single-use customer support

The Allegro™ system platform from Pall is a comprehensive program providing processing solutions, technical support, and validation for single-use systems. The Allegro system platform services all applications from upstream through downstream to formulation and filling.

Our Flexible Solutions approach includes Flexible Support... as Pall's Scientific and Laboratory Services can assist you through the validation studies, regulatory compliance, and Factory Acceptance Test (FAT) and Site Acceptance Test (SAT) processes, to help get your single-use systems operating as quickly as possible. And you can count on our ongoing support to help keep them operating as efficiently as possible. Pall's made-to-order process solutions include:

- ▶ Systems validation
- ▶ Components validation
- ▶ Consultancy services
- ▶ Engineering services
- ▶ UpScale™ program
- ▶ After-sales support

Put Pall's "global expertise...delivered" to work in your operations today.

Pall Scientific and Laboratory Services assist in the implementation of Allegro single-use processing solutions from drug development to manufacturing.
