

SHORT COURSES

GC

Environmental GC

6 February, Springfield, MA; 6 February, Lawrence, MA; 10 Feb, Providence, RI.
Contact: Restek Corp.; tel. (800) 356-1688, e-mail: rob.lindquist@restek.com, Web site: <http://www.restek.com/seminar>.

GC: Principles and Applications

6–8 February, Las Vegas, NV; 7–9 March, Orlando, FL; 3–5 April, San Jose, CA; 1–3 May, Pittsburgh, PA; 5–7 June, St. Louis, MO.

Contact: Henry Nowicki; tel. (800) 367-2587, fax (724) 457-1214, e-mail: hnpacs@aol.com, Web site: <http://pacslabs.com>.

GC-MS

13 February, Portland, OR; 16 February, Seattle, WA; 25 April, Mason, OH; 26 April Columbus, OH; 28 April, Pittsburgh, PA; 8 May, Boulder, CO; 10 May Salt Lake City, UT; 12 May San Diego, CA; 23 May, Indianapolis, IN; 24 May, Chicago, IL; 26 May, Kansas City, MO; 19 July, Orlando, FL; 30 October, Houston, TX; 1 November, Baton Rouge, LA.

Contact: Restek Corp.; tel. (800) 356-1688, e-mail: rob.lindquist@restek.com, Web site: <http://www.restek.com/seminar>.

GC-MSD ChemStation and Instrument Operation

13–17 February, Alpharetta, GA; 13–17 March, Alpharetta, GA; 17–21 April, Alpharetta, GA; 15–19 May, Alpharetta, GA; 19–23 June, Alpharetta, GA; 17–21 June, Alpharetta, GA.

Contact: Agilent Technologies; tel. (800) 227-9770, Web site: <http://www.chem.agilent.com/scripts/education.asp>.

6890 GC Maintenance

14–17 February, Alpharetta, GA; 21–24 March, Alpharetta, GA; 18–21 April, Alpharetta, GA; 16–19 May, Alpharetta, GA; 13–16 June, Alpharetta, GA.

Contact: Agilent Technologies; tel. (800) 227-9770, Web site: <http://www.chem.agilent.com/scripts/education.asp>.

Comprehensive Capillary GC

15 February, Seattle, WA; 2 May, Princeton, NJ; 3 May, Plymouth Meeting, PA; 13

September, Plymouth Meeting, PA; 15 September, Somerset, NJ.

Contact: Restek Corp.; tel. (800) 356-1688, e-mail: rob.lindquist@restek.com, Web site: <http://www.restek.com/seminar>.

Capillary GC Method Development

21–24 February, Alpharetta, GA; 9–12 May, Alpharetta, GA; 27–29 June, Alpharetta, GA.

Contact: Agilent Technologies; tel. (800) 227-9770, Web site: <http://www.chem.agilent.com/scripts/education.asp>.

Agilent 5973 GC-MSD Troubleshooting and Maintenance

22–24 February, Alpharetta, GA; 21–23 March, Alpharetta, GA; 25–27 April, Alpharetta, GA; 23–25 May, Alpharetta, GA; 27–29 June, Alpharetta, GA.

Contact: Agilent Technologies; tel. (800) 227-9770, Web site: <http://www.chem.agilent.com/scripts/education.asp>.

Techniques in GC-MS

13–15 March, Andover, MA, 1–5 May, Chicago, IL, 13–15 June, Richardson, TX.

Contact: Agilent Technologies; tel. (800) 227-9770, Web site: <http://www.chem.agilent.com/scripts/education.asp>.

GC: Fundamentals, Troubleshooting, and Method Development (Lecture-Lab Course)

3–7 April, Chicago, IL; 5–9 June, Chicago, IL; 18–22 September, Chicago, IL.

Contact: ACS; tel. (800) 227-5558, e-mail: shortcourses@acs.org, Web site: <http://www.chemistry.org>.

Headspace GC

March, Atlanta, GA.

Contact: ACS; tel. (800) 227-5558, e-mail: shortcourses@acs.org, Web site: <http://www.chemistry.org>.

How to Validate and Troubleshoot Capillary GC and HPLC Methods

29–30 March, Atlanta, GA.

Contact: ACS; tel. (800) 227-5558, e-mail: shortcourses@acs.org, Web site: <http://www.chemistry.org>.

Modern Practice of Gas Chromatography

22–24 May, West Chester, PA.

Contact: Joe Konschnik, Restek Corporation; tel. (302) 838-5796, e-mail: joe.konschnik@restekcorp.com, Web site: <http://www.eas.org/cfdv/>.

Headspace Analysis

14 June, Hamilton, NJ.

Contact: Restek Corp.; tel. (800) 356-1688, e-mail: rob.lindquist@restek.com, Web site: <http://www.restek.com/seminar>.

Headspace GC Theory & Technology

27–28 June, Wilmington, DE.

Contact: Agilent Technologies; tel. (800) 227-9770, Web site: <http://www.chem.agilent.com/scripts/education.asp>.

HPLC

HPLC: Principles and Applications

6–8 February, Las Vegas, NV; 7–9 March, Orlando, FL; 3–5 April, San Jose, CA; 1–3 May, Pittsburgh, PA; 5–7 June, St. Louis, MO.

Contact: Henry Nowicki; tel. (800) 367-2587, fax (724) 457-1214, e-mail: hnpacs@aol.com, Web site: <http://pacslabs.com>.

Agilent 1100 Series HPLC Troubleshooting and Maintenance

22–23 February, Alpharetta, GA; 22–23 March, Alpharetta, GA; 3–4 May, Alpharetta, GA; 6–8 June, Alpharetta, GA.

Contact: Agilent Technologies; tel. (800) 227-9770, Web site: <http://www.chem.agilent.com/scripts/education.asp>.

Advanced HPLC Method Development

20–21 March, San Mateo, CA; 3–4 April, Somerset, NJ; 8–9 May, Chicago, IL; 11–12 September Saddle Brook, NJ; 9–10 October, Philadelphia, PA; 4–5 December, Chicago, IL.

Contact: LC Resources; tel. (800) 379-5221, e-mail: info@lcresources.com, Web site: <http://www.lcresources.com>.
