Your animal hospital

DOG LIFESTYLE SURVEY

How old is your dog?

O puppy

O adult

O senior

Your dog's health can change in a short period of time. Regular check-ups can help keep your dog healthy for a long time.

We'll help you determine which vaccines your dog needs.

> All dogs are at risk for heartworms.

Where does your dog live?

O on the couch

O in the yard

O with other pets

Does your dog ...

O play with children?

O go to the park? O eat with the family?

O travel?

Regular fecal examinations and deworming protects your family and your dog.
