

# ContecClean™ Cloths

## Economical disposable wipes in convenient sizes

The ContecClean™ Cloths are designed with convenience and economy in mind. Available to purchase in multiple sizes and options, the ContecClean Cloths are designed for everyday general cleaning. It is lightweight, but strong enough to be saturated with most common cleaners and disinfectants. This allows for better application of cleaning chemicals and reduces overall cleaning time. The ContecClean Cloths are a good choice for acute care, long-term care facilities, schools, industrial settings, and other facilities.

### FEATURES

- 100% synthetic, hydrophobic design reduces risk of quat binding
- Compatible with most common cleaners and disinfectants
- Perforated rolls allow for a variety of wipe size configurations
- Quarter fold sizes help maximize cleaning
- Multipurpose capability in a value-sensitive wipe

### PERFORATED FOR CUSTOMIZATION

Select based on each cleaning task

ContecClean™ Cloths in roll format is conveniently perforated, so EVS staff and cleaning teams can choose the right wipe size for each job. Not only does this cut down on waste, but it makes cleaning more efficient. Employees can easily customize the ContecClean Cloths to fit their needs without extra cost, time or tools.
