

Site Selection, page 54

Pharma can "pull in patients" with good recruitment practices, page 64.

Features

50 **Commentary**
Pfizer Can Mold Its Future by Learning from the Past

Thomas Grubb and Robert Lamb

CEO Hank McKinnell must take a close look at the Pharmacia-Upjohn merger and not repeat its mistakes.

54 **Site Selection**
Picking a Place to Grow

Sibyl Shalo, Senior Editor

When it comes time to expand, pharma's site decisions depend most on human capital.

64 **Clinical Trials**
Good Recruitment Practice = Patient Pull

Joan Bachenheimer & Bonnie Brescia, BBK Healthcare

New standards will help recruit and protect clinical trial participants.

72 **Business Strategies**
Networked Pharma

Ken Lacey, Accenture

Pharma's new business model breaks apart the value chain and focuses on core capabilities.
