

STEP TOGETHER

Veterans Allotment Project Heathlands, Cumbria

"Before I started volunteering I was shutting myself off at home and not going out. The physical work here has done me the world of good and I love it here doing something useful and meeting loads of different people."

Armed Forces Veteran (WIS)

Marc Howland (Volunteer Coordinator)

CALLING ALL VETERANS / WIS / FAMILIES TO VOLUNTEER!

Each year, Step Together helps over 300 wounded, injured and sick (WIS) service personnel and veterans across the UK to rebuild their lives. Our Rehabilitation through Volunteering programme supports WIS service personnel, veterans and their families across the UK to make significant change in their lives, through one-to-one support and active engagement in the local community as a part of their recovery and resettlement.

Due to recent funding from the **Armed Forces Covenant's 'Positive Pathways'** programme, and with help from our charity partners, we have recently started work on an allotment and garden project at Heathlands and invite you to join us! If you have any team leading or project management skills, or simply want to volunteer with a group of people who are on a mission to make a difference to beneficiaries and their own lives, then do get in touch with our Volunteer Project Manager below.
