VINTAGE CONDITIONS

After consecutive drought years the 2022 growing season started with some wet weather that carried on until late spring. Excellent fruit-set early December resulted in crop levels bigger than average. Ripe flavours at low sugar levels allowed us to pick early to retain the natural acidity in the juice compared to previous years. In what will ultimately go down as a 'challenging' vintage, unwavering vineyard preparation delivered excellent fruit condition and flavour concentration.

VINIFICATION

This wine is a blend of Pinot Noir, Merlot, Sauvignon Blanc and Riesling grapes with each variety contributing unique characteristics to the final wine.

Fruit was picked in the cool of the morning. The Pinot Noir grapes were left to soak on skins for 24 hours to pick up some colour before pressing. The varieties were fermented separately before the wine was blended and Estate bottled.

This wine is Certified Vegan by the NZ Vegetarian Society.

Aromas of fresh cherry and strawberry flesh, white rose and red papaya. Flavours on the palate are of the same with texture from acidity and fine fruit tannins adding in mouthfeel and length. Salivating, refreshing and dry on the finish, a wine for summer drinking and through 2024.
