

# Engage and Inspire ...throughout the Learning Journey

**Engagement** is the number one metric that impacts the effectiveness and value of training.

An **engaging learning experience** is critical to ensuring your commercial team can effectively inform and captivate healthcare professionals.

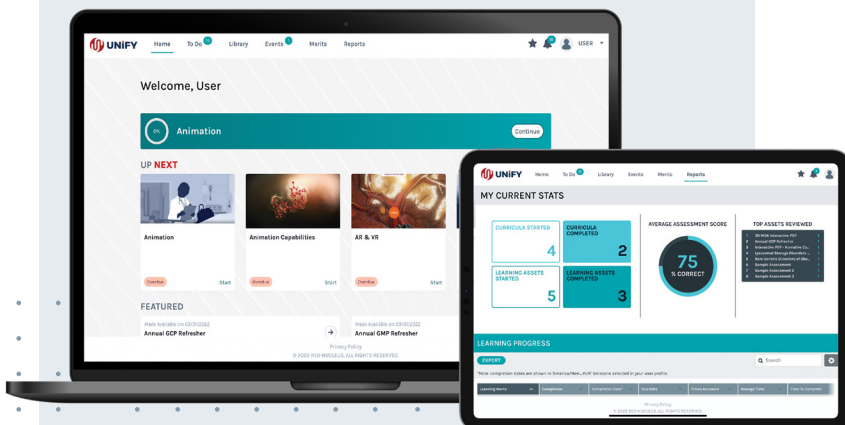

FULLY MOBILE  
COMPATIBLE

A sophisticated digital solution for training delivery, event management, and learner assessment. **UNiFY** provides a mobile, interactive, integrated learning experience.

The UNiFY learning journey elevates a learner's experience and commitment by:

- **Delivering** a blended, all-in-one learning experience in a simple, intuitive way
- **Differentiating** the personalized journey to increase the impact of training and drive continuing education
- **Measuring** the impact of learning to validate readiness and motivation
- **Boosting** knowledge retention and improving performance
