

An aerial photograph of a lush tropical landscape. A multi-tiered waterfall cascades into a vibrant turquoise pool. Two small wooden rafts with people are in the water. The surrounding area is filled with dense green foliage, including numerous palm trees. The text 'BALI' is prominently displayed in large, white, bold, sans-serif capital letters across the upper middle of the image.

BALI

La Colección BALI de New Tiles ofrece una versatilidad y estética inspirada en la naturaleza exótica y la serenidad de Bali.

Esta colección está diseñada para aportar frescura y elegancia a cualquier espacio, destacando por sus cinco acabados únicos y una variedad de formatos y piezas especiales que se adaptan a múltiples aplicaciones.

La colección se presenta en varios formatos para adaptarse a diferentes necesidades y estilos de diseño, permitiendo crear patrones y composiciones únicas.

Para complementar la colección y ofrecer soluciones completas, se incluyen las siguientes piezas especiales:

Mosaicos. Perfectos para crear detalles decorativos y acentos en paredes y suelos.

Alcorques. Diseñados para embellecer y proteger las bases de los árboles en exteriores.

Topos. Piezas circulares que añaden un toque distintivo y dinámico a la decoración.

Rejillas. Ideal para ventilación y detalles arquitectónicos en diversas aplicaciones.

Esquinas Rejillas. Piezas angulares que complementan las rejillas, ofreciendo soluciones estéticas y funcionales.

Escocias. Ofrecen una transición suave entre superficies, ideales para rincones y bordes.

Cubrecantos. Diseñados para proteger y embellecer los bordes de las superficies.

Esquinas y Ángulos. Estas piezas permiten una instalación perfecta y continua, asegurando la integridad estética y funcional de la colección.

La Colección BALI de New Tiles es una propuesta completa y versátil, diseñada para ofrecer soluciones estéticas y funcionales en cualquier proyecto arquitectónico y de diseño de interiores.

The BALI Collection by New Tiles offers versatility and aesthetic inspiration drawn from the exotic nature and serenity of Bali. This collection is designed to bring freshness and elegance to any space, highlighting its five unique finishes and a variety of formats and special pieces that adapt to multiple applications.

The collection is presented in various formats to adapt to different needs and design styles, allowing for unique patterns and compositions.

To complement the collection and offer complete solutions, the following special pieces are included:

***Mosaics.** Perfect for creating decorative details and accents on walls and floors.*

***Alcoves.** Designed to embellish and protect outdoor tree bases.*

***Topos.** Circular pieces that add a distinctive and dynamic touch to decoration.*

***Grilles.** Ideal for ventilation and architectural details in various applications.*

***Corner Grilles.** Angular pieces that complement grilles, offering aesthetic and functional solutions.*

***Escapes.** Offering a smooth transition between surfaces, ideal for corners and edges.*

***Covers.** Designed to protect and embellish surface edges.*

***Angles and Corners.** These pieces ensure a perfect installation and continuous integrity, ensuring the aesthetic and functional integrity of the collection.*

The BALI Collection from New Tiles is a comprehensive and versatile proposal, designed to offer aesthetic and functional solutions for any architectural and interior design project.

La collection BALI de New Tiles offre une versatilité et une esthétique inspirée de la nature exotique et de la sérénité de Bali. Cette collection est conçue pour apporter fraîcheur et élégance à tout espace, en mettant en valeur ses cinq finitions uniques et une variété de formats et de pièces spéciales qui s'adaptent à de multiples applications.

La collection se présente en plusieurs formats pour s'adapter à différents besoins et styles de design, permettant de créer des motifs et des compositions uniques.

Pour compléter la collection et offrir des solutions complètes, les pièces spéciales suivantes sont incluses :

Mosaïques. Parfaites pour créer des détails décoratifs et des accents sur les murs et les sols.

Alcôves. Conçues pour embellir et protéger les bases des arbres en extérieur.

Topos. Pièces circulaires qui ajoutent un touché distinctif et dynamique à la décoration.

Grilles. Idéales pour la ventilation et les détails architecturaux dans diverses applications.

Angles Grilles. Pièces angulaires qui complètent les grilles, offrant des solutions esthétiques et fonctionnelles.

Escapes. Offrent une transition douce entre les surfaces, idéales pour les coins et les bords.

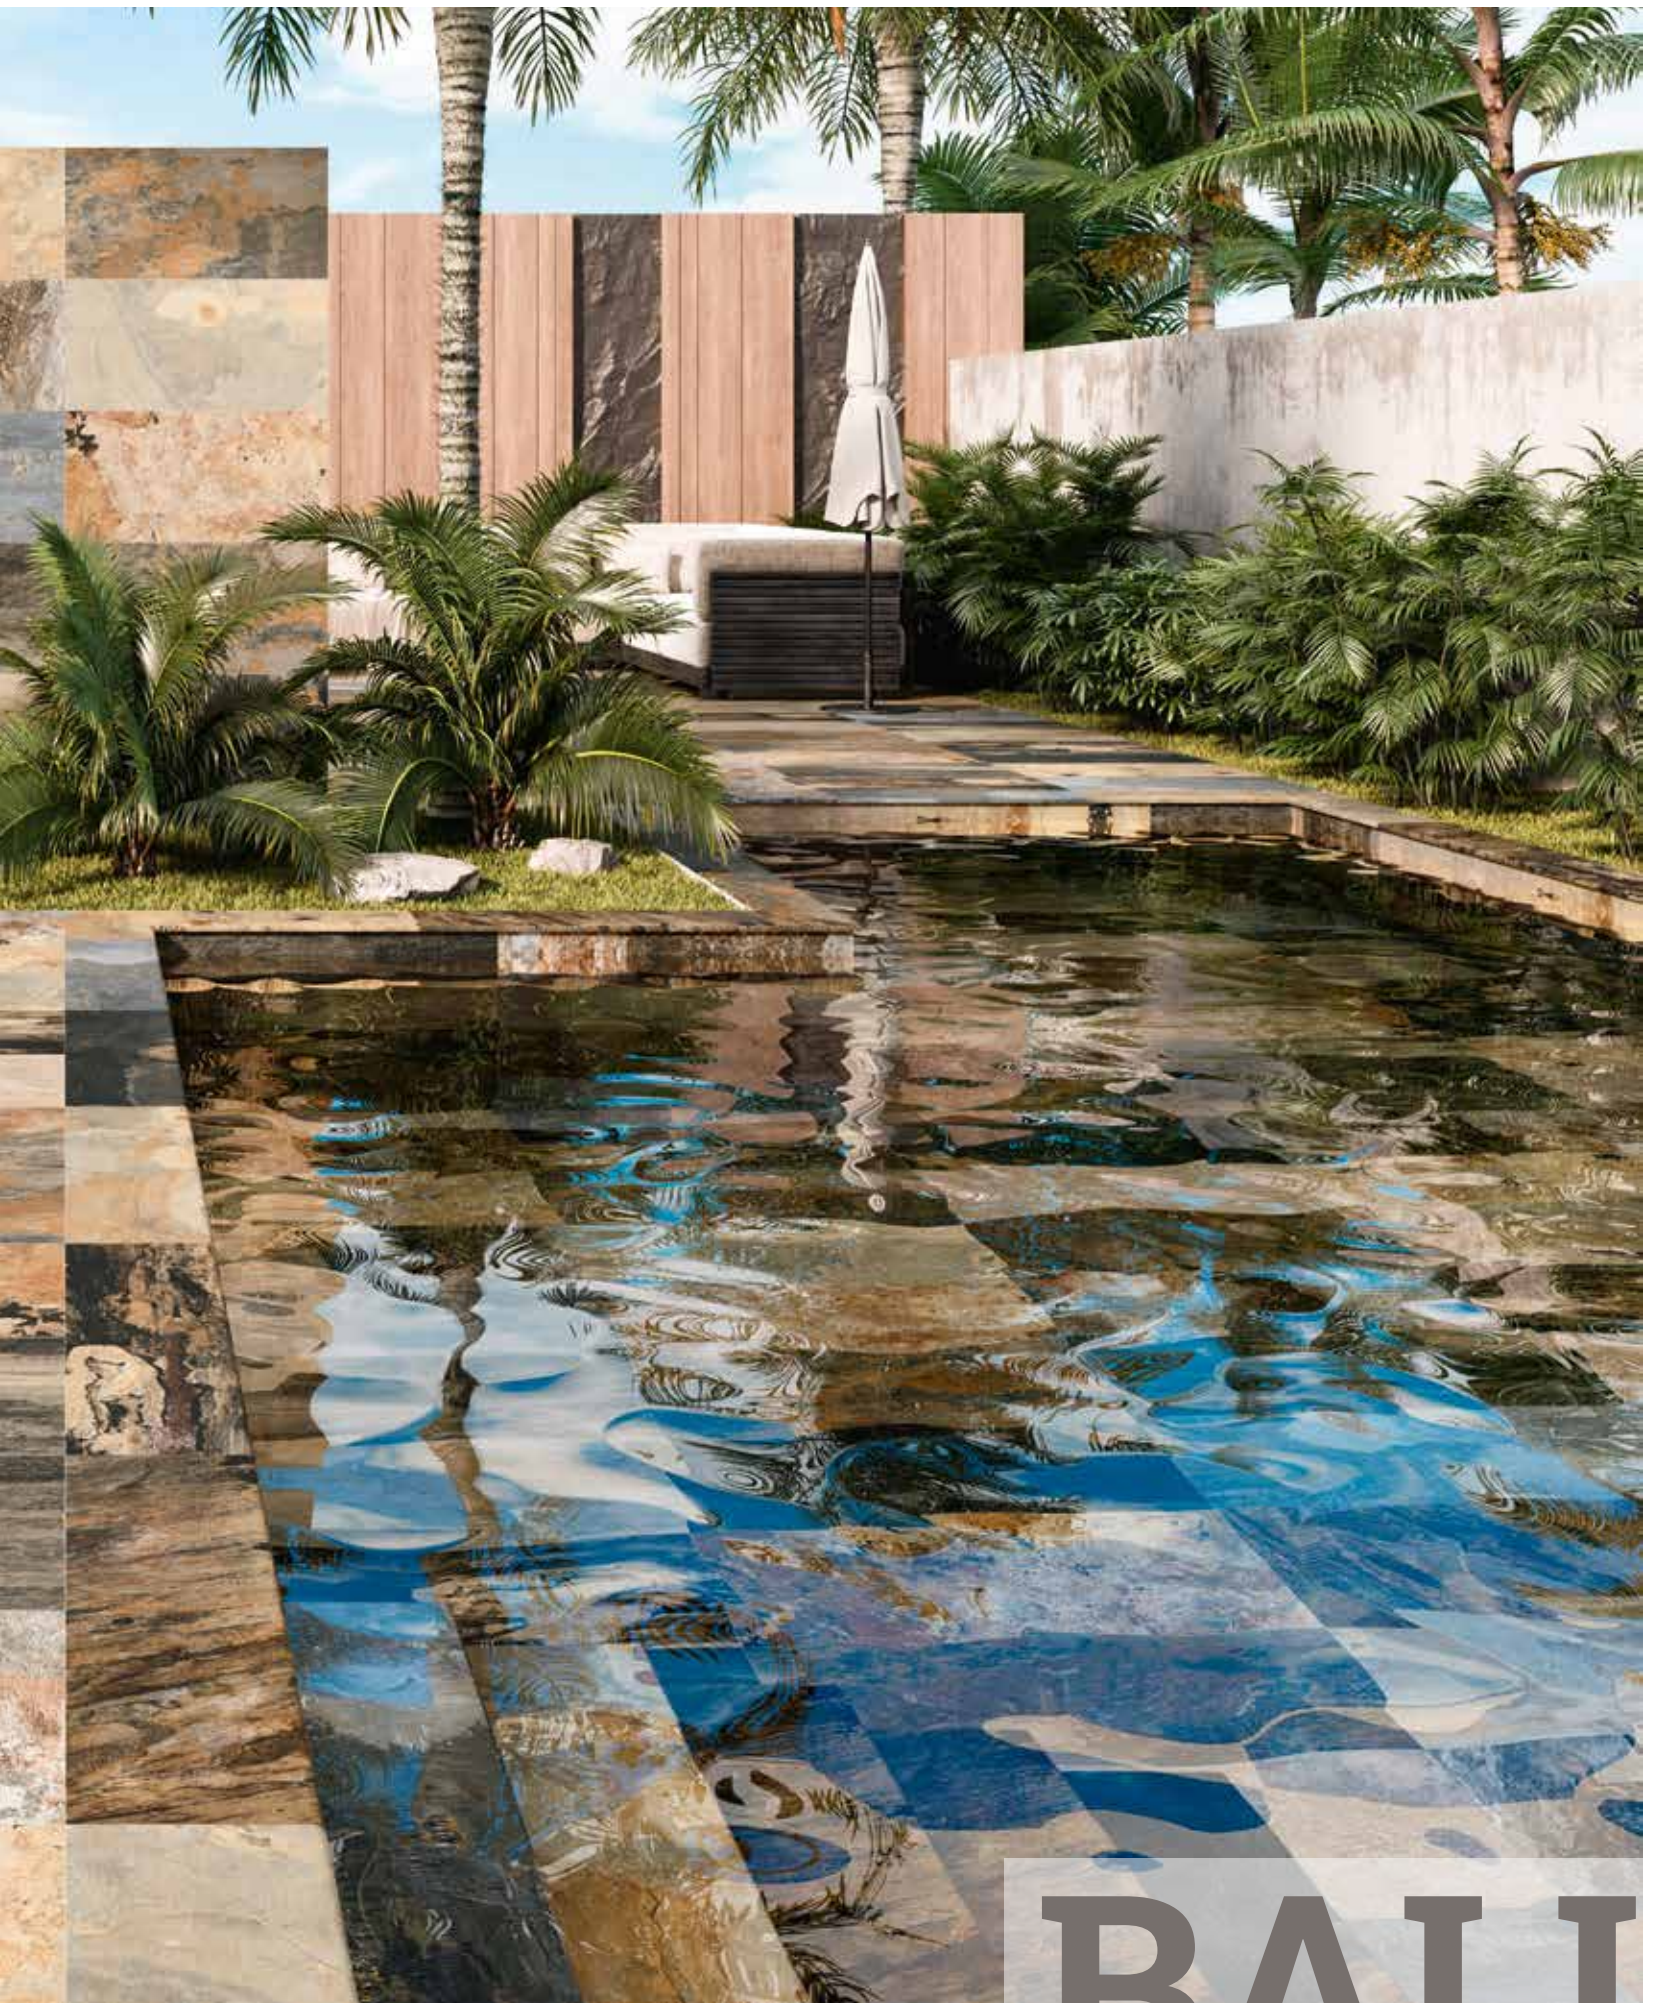

Couvres. Conçues pour protéger et embellir les bords des surfaces.

Angles et Coins. Ces pièces permettent une installation parfaite et continue, assurant l'intégrité esthétique et fonctionnelle de la collection.

La collection BALI de New Tiles est une proposition complète et polyvalente, conçue pour offrir des solutions esthétiques et fonctionnelles pour tout projet architectural et de design d'intérieur.
