David is one of our meeting rooms on the third floor, in the east part of Fotografiska. The room is named after the legendary David LaChapelle, and invites you to meetings in a harmonious environment with a wonderful view of the city and the water.

David offers a creative setup of furniture, consisting of a site-built sofa with complementary armchairs – perfect for your upcoming presentation. David is located in connection with our remaining meeting spaces on the third floor – Sarah, The Lobby and Nick. David is also suitable for breakout sessions during medium-sized and larger conferences, or can be used as back office space. The room is equipped with a whiteboard and TV screen.

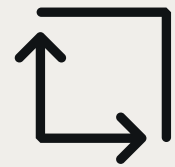

In David you can use our Logitech Meetup system, that consists of a high quality camera with 4K-optics and a super-wide angle of 120 degrees. This makes all participants clearly visible around the table, and the built-in sound system is optimized for meeting room acoustics.

THIS VENUE IS SUITABLE FOR:

board meetings, conferences, breakouts, workshops, digital and hybrid meetings.
