Nick is our smart and creative meeting room for medium-sized meetings in an inspiring environment. The venue is located on the third floor and can accommodate up to 40 guests seated at round tables. Our smaller meeting rooms, David and Sarah, are located on the same floor, along with the adjoining Lobby with its stunning view of the city and the water.

Nick has a 75" SMART screen, and two smaller screens that can be connected to your own computer. The SMART screen has built-in functions, such as touch screen, whiteboard, web browser, and the possibility of saving and sending notes from the screen directly to the participants. With the help of an app, you can control the presentation directly from the screen and connect with remote participants.

There is also a magnetic wall in Nick, suitable for creative group assignments.

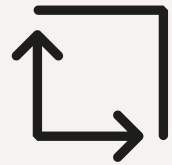

After 6 pm, we can transform Nick and The Lobby into an inviting and vibrant place to mingle.

We proudly present our beautiful Lobby, with a spectacular view overlooking Stockholm's inlet.

During the day, this is where we serve our meeting participants coffee, water, fruit, and baked goods. The venue is also well suited for different kinds of group assignments, workshops, and discussions in smaller groups.

In the evening, The Lobby is transformed into a fully exclusive mingle area. A pleasant way to end the day is to enjoy a cocktail in The Lobby, and let one of our guides meet you there for a guided tour of our exhibitions.

mingle, group discussions, and creative workshops.
