In our beautiful dining room, you can enjoy sustainable and delicious gastronomy, with one of the very best views in Stockholm. The four panoramic windows are like postcards with constantly changing motifs.

The boats pass by here, like a row of pearls, while the sun sets over Old Town. A truly dazzling environment that invites all guests to a lovely and sustainable experience, with the possibility to create common memories that last over time and shared experiences.

In The Dining Room, we welcome guests for dinners, lunches, corporate events, and private celebrations of all sorts. Speeches, award ceremonies, live performances, a bar, mingle, or a dance floor are also easy to arrange here.

The venue allows you to hold presentations and create several types of flexible stage solution – for speeches, award ceremonies, or live performances. We are happy to help with technical and audiovisual solutions that

create the right atmosphere for your specific event. Certain tables can be individually lit up, and parts of the architecture can also be lit in different colors, to help create the right settings and mood for the event.

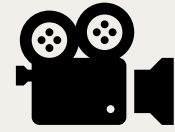

The Dining Room can welcome 184 people seated at round tables. The venue also has a bar, and a lounge can be included. Extra space can be arranged by opening up the doors to our chambre seperée.
