

## ACTIVITY 2: PERIOD BINGO

**Overview:** Using the My Period cards, pupils play bingo, discussing periods along the way

**Great For:** Exploring menstruation; covering a wide range of topics; having fun

**Resources Needed:**

Pack of My Period Cards,  
printed Bingo worksheets  
(see below)

**Prep Time Needed:**

10 mins

**Works best in:**

Classroom

**Number of participants:**

You can use this activity for any size of group

**Time Needed:**

10 mins

**Set Up:**

Select cards for discussion (see page 2), shuffle them, and place in a pile at the front of the classroom. Print Bingo worksheets (page 3 to 12 of this document) - one for each pupil

All ages

**Learning Outcomes:**

Pupils understand the physical and emotional changes of puberty for male and female bodies, that some people get periods and that this is normal; Pupils understand that there are many myths and taboos associated with periods and how to use facts to form their own opinions.

**Activity:** Shuffle selected cards (see page 2) and place in a pile at the front of the class.

Each pupil or pair of pupils has a Bingo worksheet. One pupil goes to the front and selects a card from the pile – they show the card to the class and read out the text on the back. Any discussion around the card happens. If a pupil has a picture of that card on their Bingo worksheet then they cross it off. Repeat until someone calls BINGO! (You get Bingo when 4 cards in a horizontal, vertical or diagonal line have all been called).
