

PERSPECTIVE

## LENS PENDANT MINOR MAJOR

The Lens Pendant Minor Major is representative of the balance between weight and tension. Reimagining the shapes from the sculptural pieces in the Lens collection, the Minor Major Pendant's metal discs are stacked into a balanced composition, forming a surprising yet sophisticated silhouette. An acrylic diffuser enhances the light output allowing Snelling's unique light sources to cast a gorgeously warm light.

### PRODUCT TYPE

Pendant

### MATERIALS

Acrylic  
Aluminium  
Brass

### LAMP SPECIFICATIONS

19.0 W LED / Warm White 3000K / 800 Lumens / Dimmable
