

PERSPECTIVE

LENS WALL SCONCE MINOR

Its minimal form extracted from the sculptural pieces in the Lens collection, the Minor Sconce is restrained, yet a striking presence in a space. Belying its simplicity, the Minor sconce invokes seeming contradictions - industrial materiality, and the glamour of a Hollywood dressing room. Both finishes use an acrylic diffuser that enhances the light output and allows Snelling's unique light sources to cast a gorgeously warm light.

PRODUCT TYPE

Wall Sconce

MATERIALS

Acrylic
Aluminium
Brass

LAMP SPECIFICATIONS

4.7 W LED / Warm White 3000K / 800 Lumens / Dimmable
