

PERSPECTIVE

LENS RABBIT SCULPTURE

The pièce de résistance of the Lens collection, the Rabbit Sculpture, softly blurs the boundaries between a functional object and sculpture. Crafted from layered acrylic, the clear material engages in a captivating interplay with light, refracting it against graceful curved lines reminiscent of the silhouette of the body in sasangasana - yoga's rabbit pose. Within the space it occupies, this light sculpture emanates a commanding yet restrained presence.

PRODUCT TYPE

Art Piece

MATERIALS

Acrylic
Glass

LAMP SPECIFICATIONS

E27 LED Candle / 3-4W / 330-350 Lumens

All components are compliant with New Zealand and Australian safety standards, have an earth fitting and are IP20.
