Notes

Lead time - see website
IP Rating available
3 year warranty

ASSEMBLY INSTRUCTIONS

Lighting must be installed by a qualified electrician.

After unpacking the pendant, fit the ceiling mount and rose.

Fit the light-bulbs.

While supporting the glass, turn the globes clockwise onto the threaded fitting.

Keep turning until the glass globe is snug against the brass cap and can no longer be twisted. Be careful not to over-tighten, as this could damage the light fitting.
