

PERSPECTIVE

LENS FLOOR LAMP

The finale to a whimsical and experimental collection. The acrylic pair of translucent panels creates a vertical gesture, reinforcing the spherical form of the head. The twin diffusers help achieve a gentle ambience in atmosphere – controlled by a beautifully hand crafted dimmer, carefully assembled at the heart of the lamp. The simplicity of materials composed in aluminium and acrylic, unite and create a balanced language of a function and sculpture.

PRODUCT TYPE

Floor Lamp

MATERIALS

Acrylic
Aluminium

LAMP SPECIFICATIONS

19.0 W LED / Warm White 3000K / 800 Lumens / Dimmable
