

PERSPECTIVE

LENS PENDANT MAJOR

An effortless yet striking piece in the Lens collection, the minimal form of the Major Pendant is extracted from the collection's sculptural pieces. The shapes of these sculptures underwent a process of reduction, and are abstracted here to form the elegant curves of the suspended metal disc. Both finishes use an acrylic diffuser that enhances the light output and allows Snelling's unique light sources to cast a gorgeously warm light.

MATERIALS

Acrylic
Spun Metal (Powder Coated / Polished)
Brass

PRODUCT TYPE

Pendant Light

LAMP SPECIFICATIONS

10 W LED / Warm White 3000K /
800 Lumens / Dimmable
