**Enhanced Services Coordinator – Jordan’s Principle
Shibogama Home & Community Care Program – Jordan’s Principle (HCCP-JP)
Full-time Contract, until March 31, 2022
Position based in Sioux Lookout**

Position Summary:

Under the direction of the Shibogama Health Director, the Enhanced Services Coordinator will build relationships with resources, programs and services within the communities as well as external resources. This will include developing contract services to provide regular assessments and ongoing support for children with complex needs.

Duties and Responsibilities of the position include:

- Maintain and enhance formal partnerships with the Shibogama First Nation Communities.
- Support community collaboration, involvement, and support to ensure the care team is responsive to the needs and goals as identified by each community.
- Work closely with community-based care team to ensure that service referrals are addressed in a proficient and effective manner, and clients and their families are accessing support services they need.
- Significant travel to member communities on a regular basis to strengthen and enhance relationships.

Required Qualifications & Experience:

- Post secondary degree in nursing, social services, or a combination of a related post secondary diploma and extensive relevant experience.
- Five (5) years experience in community-based health or social services delivery, with experience specific to working with children and youth with complex needs and their families.
- Experience working with First Nations communities.
- Willingness and ability to travel frequently to the Shibogama communities.
- Membership or membership qualifications in a recognized provincial regulatory body is preferred.
