

# Nonviolent Crisis Intervention<sup>®</sup>, 2<sup>nd</sup> Edition Training

## Why should I use this training option?

**Nonviolent Crisis Intervention<sup>®</sup>, 2nd Edition Training** provides staff with an effective framework for preventing, de-escalating, and safely responding to crisis behavior. The program realistically addresses the serious issue of restrictive intervention through careful assessment of risks and an evaluation of what may be considered “last resort.”

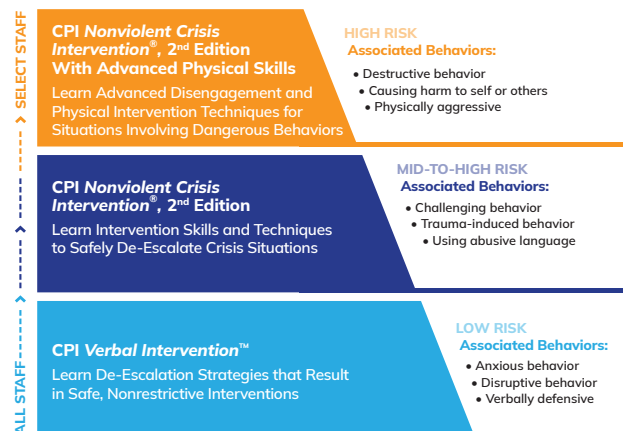

## Features & Benefits

- Provides a broad range of tools to help participants manage their own emotional responses and identify escalating behaviors in others.
- Practice non-restrictive and restrictive interventions that are consistent with a set of physiological principles.
- Post-Crisis strategies assist staff teams in recognizing opportunities to learn prevention strategies in the aftermath of a crisis.
- The principles and techniques taught in CPI’s safety interventions recognize the critical importance of staff confidence and their ability to safely respond to crisis situations.
- Participants who complete training will be certified to teach *Nonviolent Crisis Intervention<sup>®</sup>, 2<sup>nd</sup> Edition Training* at their organization.

## Whatever your organization needs, we have the right solutions.

Every organization is different, with its own unique risks, responsibilities, and needs. That’s why we custom-curate a training solution for your requirements with our violence prevention experts. **Nonviolent Crisis Intervention<sup>®</sup>, 2<sup>nd</sup> Edition Training** provides staff with decision-making tools to understand how to intervene in escalating situations, and when to use restrictive interventions like holding skills, if necessary.
