Does Your Staff Have the Skills to Prevent Workplace Violence?

The Crisis Prevention Institute's *Nonviolent Crisis Intervention*®, 2nd Edition Training is coming to

CPI's *Nonviolent Crisis Intervention*®, 2nd Edition Training program:

- Provides participants with the skills to confidently prevent and de-escalate crises that they face at work.
- Offers effective and safe strategies to de-escalate behaviors when crisis situations develop.
- Equips staff with a common language of behavior management.
- Teaches the skills to restore relationships with everyone involved once a crisis situation has resolved.
