BEYOND 2019: RESULTS FROM THE GLOBAL CONSULTATION OF THE CIVIL SOCIETY TASK FORCE (CSTF)

You are invited to this special lunchtime event to support preparations for the 2019 Ministerial Segment to be held at the 62nd Session of the Commission on Narcotic Drugs

Wednesday 5th December, 13:30 – 14:30

Conference Room C-1, 2nd Floor, Building C, Vienna International Centre

The Civil Society Task Force (CSTF), a joint initiative of the New York and Vienna NGO Committees on Drugs,* has conducted a global online civil society consultation – translated into all six UN languages and disseminated to thousands of NGOs around the world. The consultation sought the views of civil society regarding the 2009 Political Declaration and its targets, the work of civil society since 2009 and 2016, and the linkages between drugs and the Sustainable Development Goals.

At this lunchtime event, the results, key messages and recommendations from the consultation will be presented and disseminated for member state delegations.

Chair: Jamie Bridge, Co-Chair of the Civil Society Task Force

Opening Remarks: John Brandolino, Director, UNODC Division for Treaty Affairs

Presentation: **Results from the global civil society consultation**
