

The 6th International Conference on  
Nightlife, Substance Use and Related Health Issues  
ZURICH / SWITZERLAND / 7-9 JUNE 2010

## **Club Health 2010, 7 – 9 June 2010, X-TRA, Zurich, Switzerland**

Welcome to the Club Health Conference 2010 newsletter.

### **Call for abstracts:**

We invite all individuals and agencies who work in nightlife environments, research nightlife behaviours and manage night time settings to present their work and experiences at the Club Health Conference in Zurich. The call for abstracts is open until the 28th February. >[More information](#)

### **Congress program:**

A first draft of the conference program is online. >[More information](#)

We are pleased to announce the confirmation of the first plenary speakers:

- **Dr Emmanuel Kuntsche;** Going out to have fun and get drunk? Motivational aspects of young adults' drinking on weekends
- **Prof. Bill Sanders;** The illicit use of legal substances
- **Dr Gregor Burkhart;** Polydrug use: similarities and differences in Europe. Implications for prevention policies
- **Prof Boris B. Quednow;** Brain serotonin function in MDMA (Ecstasy) users
- **MA Alexander Bücheli;** Fourteen years of recreational drug prevention in the City of Zurich. What results have been achieved and what we can learn from these experiences?
- **Prof. Ross Homel;** Developing feasible experimental designs to improve knowledge about what works to maintain reductions in aggression in the licensed environment.
- **Matthew Nice;** The State of the Global Synthetic Drug Situation
- **Dr. Samantha Wells;** Male barroom aggression: The explanatory roles of alcohol, drinking contexts, and young men's perceptions, attitudes and beliefs.
