

IN DEFENCE OF DECRIMINALISATION

A BASELINE UPON WHICH TO BUILD SUSTAINABLE DRUG POLICY

PUBLIC ONLINE WEBINAR AND Q&A

REGISTER: bit.ly/defend-drug-decrim

Tuesday, 3rd October 2023, 16:00 - 17:30 (London)

Drawing from the latest updates to the *Drug Decriminalisation Across the World* map, as well as from the experiences and insights of colleagues from across the globe, this event seeks to dispel myths surrounding decriminalisation and showcase exemplary practices. Importantly, it embraces a critical perspective on decriminalisation not to undermine its progress or capitulate to prohibitionist orthodoxies but rather to refine and further enhance this framework in service of our communities.
