

**A call to redirect resources  
from the war on drugs  
to harm reduction**

**10**%

**BY**

**2020**

**HARM REDUCTION  
INTERNATIONAL**

# **Harm reduction saves lives**

**1%**

HIV prevalence among people who inject drugs in countries that have scaled up harm reduction.

**\$100  
BILLION**

Annual government spending on drug control.

**7%**

Global harm reduction funding as a proportion of what's needed.

**10%**

We're campaigning to redirect a tenth of resources currently spent in the war on drugs to harm reduction – **10% by 2020.**
