Involving key populations in the Global Fund New Funding Model

When: **Sunday 8th December 2013, 6.30-8.00pm**

Where: **Park Inn by Radisson, 29 Heerengracht, Foreshore, Cape Town**

The Global Fund to Fight AIDS, Tuberculosis and Malaria's New Funding Model has been designed to enable strategic investment for maximum impact. It provides implementers with more flexibility, better alignment with national strategies, greater predictability on available funding and commits to the more meaningful engagement of key populations to enable them to 'get to zero'.

The African Sex Workers Alliance (ASWA), the African Men for Sexual Health and Rights (AMSHer), the Kenyan Network of People who Use Drugs (KenPUD), HIVOS together with the International HIV/AIDS Alliance would like to invite you to this Roundtable Event during ICASA 2013 to share experiences on how to 'meaningful engage' with key populations in the New Funding Model.

The Roundtable will be followed by a Reception hosted by the International HIV/AIDS Alliance.

Please RSVP by Wednesday 4 December to: bmonteiro@aidsalliance.org

We are extremely grateful to The Global Fund to Fight AIDS, Tuberculosis and Malaria for sponsoring this event.
