

## ***THE TWIN EPIDEMICS OF HIV AND DRUG USE: INNOVATIVE STRATEGIES FOR HEALTHY COMMUNITIES***

**Friday, July 20, 2012**  
**Ronald Reagan Building**  
**1300 Pennsylvania Ave, NW**  
**Washington, DC**

***Breakfast & Welcome: 8:30am***  
***Conference: 9:00am-6:00pm***  
***Reception: 6:00pm-7:30pm***

Globally, one in ten new HIV infections is attributable to unsafe injection of illicit drugs. This preconference meeting will highlight innovative programs that take a public health approach to drug use by reducing HIV infection and helping people access services. The meeting will address three interconnected themes:

- Advances in policing practice and legal reforms that increase access to HIV care and treatment for addiction;
- Innovations in integrated healthcare services; and
- The challenges of bringing interventions to scale.

### **Speakers include:**

- **Gil Kerlikowske, Director of the Office of National Drug Control Policy**
- **United States Representative Barbara Lee**
- **Michel Kazatchkine, University Rene Descartes, Paris, Member of Global Commission on Drug Policy**
- **Law enforcement, health practitioners and advocates from Canada, Kenya, Kyrgyzstan, Malaysia, Russia, USA, and Vietnam**
