| 3.30pm AFTERNOON TEA | 3.10- 3.30pm | AFTERNOON TEA |
| 3.30- 4.30pmBreakout Sessions | | Breakout Sessions |

Breakout One: Issues in cannabis use and treatment

Understanding the relationship of cannabis use on pain in people prescribed opioids for chronic non cancer pain. **Dr Gabrielle Campbell**

Male and female trends in recent cannabis use 2001-2013. Dr Wendy Swift

Medicinal cannabinoids. Professor Michael Farrell

Breakout Two: Drug Trends: contemporary issues and policy

Peer administered naloxone in Australia: Past, present and future. Simon Lenton/Paul Dietze

Differences in methamphetamine use in people who inject drugs and recreational drug users. The need to include both groups in policy responses. Associate Professor Lucinda Burns/Ms Amanda Roxburgh

Drug driving - what the drug trends program is telling us? Raimondo Bruno/ Allison Matthews

Breakout Three: Smoking

Cytisine versus varenicline for smoking cessation: A study protocol for a single-blind randomised controlled noninferiority clinical trial. **Dr Ryan Courtney**

System change interventions for smoking cessation. Mr Dennis Thomas

Barriers to cessation among disadvantaged smokers and their experiences with accessing treatment and the role of technology-based quit support. **Ms Veronica Boland**

A randomised controlled study of the Health Intervention "SNAP" in Northern Territory prisons- where smoking is banned- to prevent relapse to smoking after release from prison. **Professor Kate Dolan**

Breakout Four: Innovations in treatment and prevention

Study of oral lisdexamfetamine in adults with methamphetamine dependence. Dr Nadine Ezard

The Efficacy of Behavioural Activation Treatment for Co-occurring Depression and Substance Use Disorder: The Activate Study. **Dr Joanne Ross**

Cracks in the Ice: Evaluation of an evidence-based initiative for the Australian community about crystal methamphetamine (ice). **Ms Louise Birrell**

Preventing alcohol and cannabis harms in adolescence: an integrated online program for parents. Ms Dana Leidl

| 4.30- | Q&A |
|-----------------|---------------------------|
| 5.00pm | Professor Michael Farrell |
| 5.00- 6.00pm | Drinks and canapes |

| Wednesday, 4 October 2017 | | | |
|-----------------------------|---|--|--|
| 8.30- 9.00am | Registration | | |
| 9.00- 9.05am | Welcome Professor Michael Farrell | | |
| Session One: Policy Futures | | | |
| 9.05- 9.30am | Keynote: Interesting similarities and interesting differences: what can we learn from comparing recent drug trends in Australia and Europe? | | |

| | Paul Griffiths | | |
|------------------------------------|---|--|--|
| | Trends in Australian drug use: past and present. Associate Professor Lucinda Burns | | |
| 9.30- 10.30am | Drug Trends key findings. Ms Rachel Sutherland | | |
| | Australian pills – what are we really taking? Joanne Gerster-Stevens | | |
| 10.30- 11.00am | MORNING TEA | | |
| Session Tw | o: Alcohol and Young People | | |
| 11.00- 11.30am | Keynote: Recreational drug use amongst risky drinking teenagers: The Young Australians Alcohol Reporting System (YAARS). | | |
| | Professor Steve Allsop | | |
| 11.30- 12.00pm | Associations between parental supply of alcohol in adolescence and early adult harms and alcohol- use disorder symptoms: Six waves of a prospective cohort study. Professor Richard Mattick | | |
| 12.00- 12.30pm | Building the Future: Three minute thesis presentations | | |
| 12.30- 1.30pm | LUNCH | | |
| Session Three: Cannabis Regulation | | | |
| 1.30- | Keynote: Cannabis legalisation | | |
| 1.30- 2.00pm | Professor Beau Kilmer | | |
| 2.00- 2.15pm | Cannabis legalisation in Canada: The challenges in a federated country. Dr Marian Shanahan | | |
| 2.15- 2.40pm | Commentary 1 | | |
| | Commentary 2 | | |
| Session Fo | Session Four: The Future of Drug Policy | | |
| 2.40- 3.00pm | Drug Policy and democracy – achieving thoughtful and inclusive policy participation. Professor Alison Ritter | | |
| 3.00- 3.30pm | Closing Q&A | | |
| | Professor Michael Farrell | | |
| 4.00- 6.30pm | Professor Wayne Hall tribute | | |
