TOO HIGH TO FAIL

Cannabis & The New Green Economic Revolution

A unique in-depth look at the legal US cannabis industry
and how a new drug policy era will affect England's
economy and society.

This event will also include a talk from Dr Gary Potter on alternative models of regulated cannabis markets around the world, and a talk from one of the leaders of the Belgian Cannabis Social Club movement.

WEDNESDAY 13th NOVEMBER 7.30-9.30pm, in the Keyworth Centre.

Registration is not necessary, but it would be useful to have an indication of likely numbers. So please email Dr Gary Potter (potterg@lsbu.ac.uk) if you are hoping to attend.
