ROOM B102, BRUNEI GALLERY, SOAS

## Speakers:

Julia Buxton,

Central European University

Dave Mansfield, SOAS

Francisco Thoumi,

Universidad de los Andes

## Chair:

Jonathan Goodhand, SOAS

DRUGS

(DIS)ORDER

AND

AGRARIAN

CHANGE

This seminar brings together scholars working on the political economy of drugs, conflict and rural issues in Asia, Africa and Latin America to debate the need of drug policy to incorporate the lessons and insights of an emerging body of research on the political economy of drugs and the role that illicit economies play in broader processes of state formation and agrarian change.

Public seminar. Please register attendance online :
