

The Muvv logo is rendered in a bold, black, sans-serif typeface. The letters 'M', 'U', 'V', and 'V' are connected, with the first 'V' being slightly larger than the second. A registered trademark symbol (®) is positioned at the top right of the final 'V'. The logo is set against a bright yellow background that features a series of thin, light blue, concentric, wavy lines emanating from the left side, creating a sense of depth and movement.

**EXPANDING  
UNIVERSES**

In our vast Universe nothing is ever still. Stars move. Planets orbit.  
Galaxies grow. So why should we be static?  
We won't.

In Muvv we want to keep getting bigger, better, bolder. We are never stuck.  
We know objects, like the Universe, can increase and grow into additional  
space. We believe in creating durable and respectful products that help  
our blue planet last forever. We are creating new systems and mechanisms  
and we won't fold our arms to the possibility of developing better foldable  
and extensible add-ons to everyday furniture. Because we know different  
universes, like homes or offices, can expand into more.

More practical. More space-saving. More beautiful.

At the speed of light, we develop new products that defy gravity and tradition  
to reach for the stars. In Muvv we keep our minds open. And flexible.

Forever changing. Forever improving.  
Forever expanding. For all eternity.
