The sample name and, when relevant, its description, are given by the orderer, and CATAS does not assume responsibility on this matter. This test report relates to the sample submitted for the test and no others. Additions, deletions or alterations are not permitted. This test report must always be reproduced in its entirety. Unless otherwise required by standards and technical specifications or agreed with the customer, any declarations of conformity made by CATAS are based on the comparison between results and reference values, where the confidence intervals of the measures are not taken into account. Unless otherwise stated, sampling is made by the customer; in this case the test results are referred to the sample as received.

SAMPLE N° 372210

Date of issue: 11/07/24
Sample weight: Not determined
Overall dimensions: 2800 x 1000 x 780 (h) mm
Sample name: IN00 - 00000090 - SYNCHRO

Table in extended configuration

Durability of table extension systems - Procedure CATAS

Overall dimensions of the closed table: 2000 x 1000 x 780 mm

Overall dimensions of the opened table: 2800 x 1000 x 780 mm

Test procedure:

The test has been carried out opening and closing the table for the number of cycles and with a load evenly distributed on the table top as specified in the table by an anthropomorphic arm, fixing the table on the floor to prevent moving (See pag. 2/2).

One cycle consists in a complete opening and closing of the table.

Test velocity: 200 mm/s

Test results:

Number of cycles	Load on top kg	Remarks
5.000	120	No defects

The test has been carried out as customer specifications.
