

# High Product Quality

Die Koelnmesse vergibt im Rahmen eines Wettbewerbs den interzum award an Aussteller der interzum. Eine internationale Fachjury verleiht diese Auszeichnung für hervorragende Leistungen, die in der Branche zukunftsweisende Maßstäbe setzen.

Die Auszeichnung für hohe Produktqualität, die in beispielhafter Weise Innovation in Material, Funktion und Design vereint, wird verliehen an:

The Koelnmesse awards the interzum award as part of a competition. It is given to companies exhibiting at the interzum and granted by an international expert jury for outstanding achievements, which set new standards in the line of business.

The award for high product quality, which combines innovative aspects of material, function, and design, in an exemplary fashion goes to:

Produkt | Product
