Tense Portable Table Lamp

Panter & Tourron

The airy, cloud-like shade that characterises New Works' Tense Pendant is continued in an intriguing table lamp. Its flowing shape is crafted from tightened carbon rods and light, durable, and 100% recyclable Tyvek, which is washed to achieve the appealing crinkled effect. Resting in an almost vertical position on a streamlined base, the Tense Table Lamp provides ample opportunity to enjoy the shade's beautiful texture and soft diffusion of light.

The battery-powered light can easily be moved around where light is needed and both colour temperature and brightness can be adjusted to the desired ambiance. Charging is conducted with a magnetic charging cable, which attaches seamlessly to the base and can be left in without disturbing the look of the lamp. With advanced technical features and sensuous attributes, designers Panther & Tourron put forward an aesthetic and modern take on a table lamp.

About the Designer

With a strong focus on research into new formal codes and visual experiences, the Swiss studio of Panter & Tourron works at the intersection of technology, design and society. Material and technological innovation allows for unexpected work that defines a new vision of luxury and pushes the boundaries of contemporary design today.

About New Works

New Works presents a collection at the intersection between old and new. Light and dark. Design and art. Our work pays homage to the strong Scandinavian history of craftsmanship and materiality, whilst challenging the contemporary forms of today. We collaborate with an international group of renowned designers and artisans, who display a matching fascination with sculptural forms and honest materials. These collaborative pursuits convey our love of the sensual, and of the bold.
