## FOUNDATION LEADERSHIP

### JORDAN D. SCHNITZER

---

*President*

Jordan D. Schnitzer is a West Coast businessman, philanthropist and an ARTnews Top 200 globally recognized art collector.

Art played a major role in Schnitzer's childhood as his mother, Arlene Schnitzer, owned the first contemporary art gallery in his hometown of Portland, Oregon. What began as an interest became a passion in 1988 when Schnitzer began collecting post-war prints and multiples. In 1997, he founded the Jordan Schnitzer Family Foundation to share artworks from his collection with audiences across the globe.

Today, Schnitzer is regarded as North America's foremost print collector and his collection of thousands of contemporary artworks includes deep holdings of sculptures, paintings, glass and mixed media works.

Schnitzer is President and CEO of Schnitzer Properties, one of the Top 10 private real estate owners in the Western U.S.

*"For me, waking up each day without art around me would be like waking up without the sun. When you live with art around you, your mind and soul are filled with the beauty of life and the creativity of the human spirit."*
