

Biography Diana Harbort

Diana Harbort is President Dermatology Division at Cosmo since January 2022 where she has led the commercial development of Winlevi and Clascoterone solution for male pattern hair loss. Diana brings 36 years of cross-functional experience in the pharmaceutical industry, including 26 years in the dermatology sector.

From 2015 to 2021 she served as CEO and board member of Cassiopea SpA guiding the company through its IPO and development of Winlevi and Clascoterone solution for male pattern hair loss. She has held executive positions at leading pharmaceutical companies, including 17 years at Medicis Pharmaceutical Corporation, an industry-leading dermatology and aesthetics company, ultimately serving as the Vice President of Corporate Development. Earlier in her career, she spent 10 years in various roles at Abbott Laboratories, in marketing, business development and operations across Abbott's pharmaceutical, hospital products and diagnostic divisions.

Ms. Harbort has a bachelor's degree in Business Administration from the University of Wisconsin Whitewater and an MBA in Marketing and Management from the Kellogg School of Management at Northwestern University. She is a member of the American Academy of Dermatology and the Women's Dermatological Society.
