This home combines a practical floor plan with attention to detail to maximise functionality and lifestyle. The two double bedrooms are complemented by a study, family bathroom and an open plan kitchen, dining and living area. This North-facing living area opens out onto the fully landscaped section and outdoor entertaining space. An internal access single garage completes the package.

Live a relaxed life in the vibrant and growing community of Halswell. Stay local with amenities close by, or venture out with a less than 20 minute drive into the city centre. River Stone has beautiful views of the hills but still has a rural feel to it - something that is hard to come by this close to the city. Walkways and cycleways will link sections in River Stone to a stormwater reserve at the southern end of the subdivision, where an existing waterway will be enhanced and lead you through to the Halswell Quarry and domain. There is something for everyone in River Stone!
