Discover relaxed, low maintenance living in these new over 55s units. With open plan layouts, a master bedroom with ensuite, quality finishes, and a dedicated car park, each home provides comfort and ease within a supportive community.

Spring Grove Lifestyle Village brings together like-minded active over 55 year retirees or semi-retirees, each in their own freehold property. An open village setting with a central gathering place will create a wealth of opportunities for residents to forge new connections, yet provide the freedom and space they want to live the life they choose. Plus, with properties owned freehold, the potential for growth is far greater than a traditional retirement village. SGLV offers a range of new home options in a secure and welcoming community.
